New development in Lagos

Discover the newest luxury development in Lagos! We present you the spacious T2 and T3 apartments, equipped with the best finishes and modern amenities that provide maximum comfort and luxury.

With air conditioning and underfloor heating, electric blinds and fully equipped kitchen, every detail has been thought to ensure the best possible living experience. In addition, they include a solar system for water heating, state-of-the-art home automation and MEO fiber for high-speed internet access.

Relax in the large outdoor pool, challenge yourself in the gym and recharge your batteries in the sauna. Also take advantage of the private indoor parking to ensure safety and convenience for you and your family.
